MEMORANDUM FOR: Chief, Logistics Services Division, OL

STATINTL FROM : [REDACTED]  
Assistant for Information, DDA

SUBJECT : Destruction of Tapes of VIP Programs  
in the Auditorium

REFERENCE : Routing Sheet to DC/LSD/OL from  
C/SM&FB/LSD/OL dtd 7 June 1976  
re above subject

STATINTL 1. We have discussed the request made on referenced  
routing sheet and desire that all tapes with the exception  
of the [REDACTED] Memorial Service (#11) and the Bush  
Swearing-In Ceremony (#15) be destroyed.

2. While this material usually does not include highly  
classified or sensitive material, it nonetheless lends itself  
to being edited with the result that statements can be taken  
out of context, etc. This risk plus the administrative bur-  
den of processing under FOIA, for example, suggests that as  
a general rule such material be regularly destroyed in  
accordance with your 90-day policy. Obviously, there will,  
on occasion, be a ceremony that has historical significance  
such as the two exceptions cited above, and we would suggest  
you check with O/DDA regarding disposition/retention in those  
cases.
